UNIVERSITY OF BERGEN
Faculty of Mathematics and Natural Sciences

Application to resit an examination - fourth attempt

According to the supplementary regulations for examinations at the Faculty of Mathematics and Natural Sciences a student can only sit 3 times for an exam in a specific course. This rule is valid from the autumn semester 2007. The application to resit an exam for the fourth time, can be submitted after three invalid attempts in a course. It is not possible to apply for a fourth attempt to improve a grade.

The following guidelines apply for applications to resit examinations for the fourth time:
The application will be granted when the course is:

- the last course needed to fulfil a specialization
- the last course needed to fulfil the requirements for a degree
- a course that is a prerequisite for obligatory courses in a degree

The application may be granted if:

- documented illness that prevented the student from withdrawing from the exam
- other weighty reasons

Application deadline: **1 September** for the autumn semester. **1 February** for the spring semester.
The applications will be processed continuously.
