Combines successfully with	Competition Law (JUS258-2-B); Norske og internasjonale rettslege institusjonar (Jus 121)
For courses in the law programme:	
- Course content**	The content of the course is to provide the student with solid knowledge of EU-EEA public procurement law and its application by covering theoretical and practical aspects of the procurement activity. The discipline of public procurement enjoys of great practical importance as it is the set of rules that applies to the acquisition of goods, services and/or works by contracting entities in the EU. Public procurement activity accounts for up to 19% of the GDP of the Union. This course is designed to provide with a thorough analysis of the most relevant aspects of public procurement law, including but not limited to the following aspects: • Definition and objectives of public procurement; • Public procurement directives in the EU and its interplay with the TFEU; • Core concepts such as “contracting authority”, “public contract”, “economic operator” ; • Procedures for the selection, exclusion, assessment and award of a contract • Awarding methods and criteria; • Termination of public procurement contracts; • Concessions; • Enforcement of procurement rules in the EU.
- Learning outcome**	For exam purpose the requirement is thorough knowledge of material EU/EEA public procurement rules and case law as well as understanding of the relation between national and supranational legislation in this field of law. The course will allow the student to: • understand the goals of public procurement; • provide a detailed account of the different public procurement rules and their scope of application; • describe the public procurement procedures towards

	the purchasing of goods, services and/or works; • identify relevant problems of public procurement and offer solutions to them; and • familiarize with the EU case law on public procurement.
- Literature**	Required readings: • Poulsen, Sune Troels. Jakobsen, Peter Stig. Kalsmose-Hjelmborg, Simon Evers. EU Public Procurement Law. The Public Sector Directive. The Utilities Directive. 2nd edition. 2012. Selected chapters. Suggested readings: • Bovis, Christopher H. EU Public Procurement law. 2nd ed. 2012. • Selected public procurement articles.
