

# Norwegian Society for Immunology (NSI) Bergen Branch

Join us at the  
1<sup>st</sup> Bergen Meeting on the 22<sup>nd</sup> october at Aud. 2, BBB

Time	Topic	Speaker
10:00	Welcome	Silke Appel, NSI, Gades UiB
10:10	Cellular immune response against Giardia lamblia	Kurt Hanevik, IFI, UiB
10:25	Myasthenia Gravis Research Group	Fredrik Romi, IKM, UiB
10:40	Fish Immune Cells and Function	Heidrun Wergeland, BI, UiB
10:55	Coffee Break	
11:15	Mycobacterial proteomics and Immunology Group	Harald Wiker, Gades, UiB
11:30	BrdU-labeling as an environmental tool in marine organisms	van der Meeren, IMR, UiB
11:45	The effect of IgE-synthesis of Pholcodine, a cough depressive morphine analogue	Erik Florvåg, Helse-Bergen
12:00	New frontiers in modeling immuno-function. Xenograft and imaging studies	Emmet McCormack , IFI, UiB
12:15	Lunch	
12:45	The endocrine autoimmune group	Eirik Bratland, IFI, UiB
13:00	Atlantic Halibut and its immune system	Sonal Patelm, FI, UiB
13:15	Use of dendritic cells in immunotherapy	Arnt-Ove Hovden, Gades, UiB
13:30	Presentation of Immunology Research at NIFES	Elisabeth Holen, NIFES
13:45	Coffee Break	
14:00	Immunological aspects of acute myeloid leukemia	Elisabeth Ersvær, IFI, UiB
14:15	Common defence mechanisms in food allergy and IBS? Results from a translational model	Kirsi Vaali, IFI, UiB
14:30	Phosphoflow in immune cells of Interferon-β treated multiple sclerosis patients	Sonia Gavasso, IKM, UiB
14:45	Paraneoplastic cerebellar degeneration and Matchmaker Two-hybrid system	Nina Aarskog, IKM, UiB
15:00	Concluding Remarks	Anette S. Bøe Wolff, NSI, IFI

**OPEN FOR ALL**

Please join us also for a nice time at Lille Escalón Tapas Restaurant (Neumanns gate 5) at 19:30 the same evening. Sign up at the meeting.

### NSI Bergen Branch

Silke Appel  
Bergithe Oftedal  
Elisabeth Ersvær  
Sonia Gavasso  
Heidrun Wergeland  
Anette SB Wolff

**Aim: From building a network to joint co-operation**
