

## How to apply for student accommodation at SiB's web site

- Go to the following web site: <http://www.sib.no/hostels>
- Choose “**International students with a housing guarantee**”
- Under “**Apply within the given deadline**”, go to “**register and apply**”
- Under “**New User**”, go to “**Click her to register for an account**”
- Fill in your “**User Information**”, and choose “**Next Step**”
  
- Under “**Application form**” find your accommodation by choosing “**Add more accommodations**” on the top of the page
- Find your accommodation by choosing a profile (**single, couple, family**)
- Choose your preferred accommodation by adding them to your list (“**Choose**”)
- Choose “**Next Step**” when you are ready
  
- *All international students with a housing guarantee must fill in the reservation code given to you by the UiB in the box “Pre-booking” at the top of the page in the application form. Please note that the rental period is automatically generated for one academic year.*
  
- Fill in the requested information in the rest of the form
- “**Send application!**”
- Then you will receive the message “**Application summary**”
- Check that all the information in the “**Application summary**” is correct
- Choose “**send application**” at the bottom of the page when ready
- Then you will receive the message “**Application receipt**”

**You will receive one email from SiB after you have completed your application:**

1. An e-mail with “**Confirmation on request from Boligtorget**”
