The Student Centre, Parkveien 1

How to get to the Student Centre

From the airport to the bus station

Via Flybussen: Take Flybussen (the airport bus) to the central bus station in the sentrum (city centre). The central bus station is attached to a mall called Bergen Storsenter. It looks more like a bus terminal outside the mall than a typical bus station. The stop name for the central bus station is listed on Flybussen as Bergen Storsenter. You can tell the bus driver you are going to the bus station or Bergen Storsenter. (S)he can then let you know when to get off the bus.

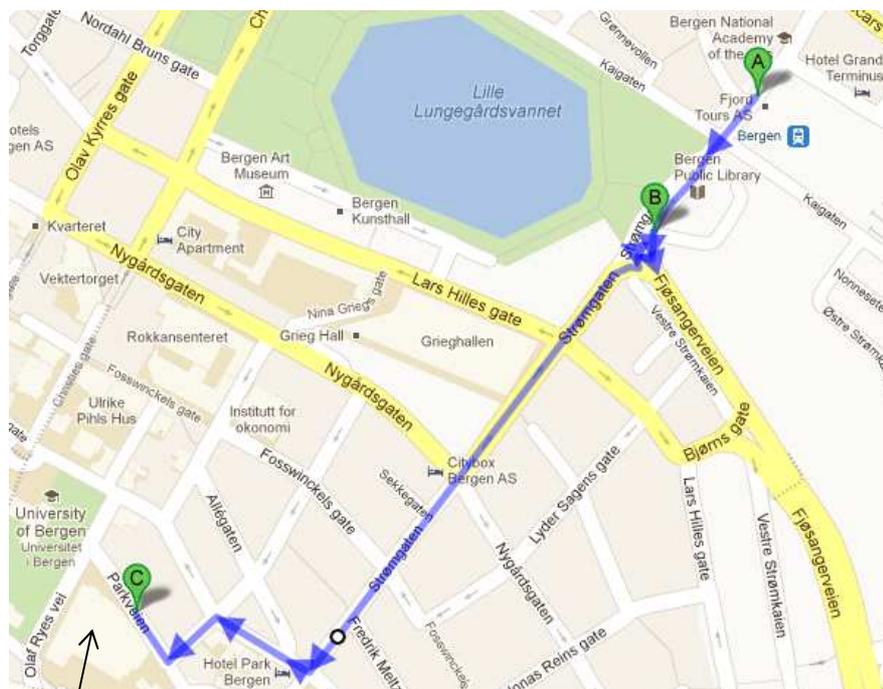

Skysst Options: Skysst operates Bergen's public transit. It is also possible to travel from Flesland (Bergen's airport) to the sentrum using Skysst. These options are slightly less expensive but contain at least one transfer and therefore may be more challenging with large amounts of luggage.

Via Skysst buses: You can take 2 buses, usually the 57 and the 51. Use Skysst's travel planner to search for trip instructions and schedules: www.skysst.no/

Via Bus and Bybanen (the Bergen light rail): Take Bus 57 to Birkelandsskiftet (Terminal B). Walk for 1 minute to Birkelandsskiftet Bybanestopp (Bybane stop). You can then ride Bybanen (in the direction of Byparken) all the way to the central bus station (Bystasjonen). Information about ticket pricing and how to buy tickets is available at: www.skysst.no/en/tickets-and-prices/buying-tickets/

If you have a lot of luggage, we suggest you store it in a locker inside the the bus station/Bergen Storsenter until you come back from the walk to the Student Centre up at the main campus area (~10 minutes walk).
