

26.10.2017

Current research funding announcements/deadlines (external)

1. Research Council of Norway (Forskningsrådet NFR):

a) [FRIMEDBIO](#) The funding scheme for independent projects (FRIPRO) comprises a national competitive arena for research funding for projects in all fields and disciplines. There will be funding for Researcher Projects, Young Research Talents, FRIPRO Mobility Grants and Support for Event..

Deadline: 25 April 2018

2. Horizon 2020 – several Calls Selected H2020 deadlines 2017:

European Research Council (ERC) *Frontier research grants*

a) [Synergy Grant](#) ERC Synergy Grants are intended to enable minimum two to maximum four Principal Investigators and their teams to bring together complementary skills, knowledge, and resources in new ways, in order to jointly address ambitious research problems.

Deadline: 14 November 2017

Call open b) [Consolidator Grant](#)

The aim of this grant is to give the most prominent junior researchers the opportunity to consolidate their research, and to expand and broaden their research activities.

Deadline: 15 February 2018

Marie Skłodowska-Curie Actions (MSCA) *Excellent and innovative research training plus attractive career and knowledge-exchange opportunities through cross-border and cross-sector mobility, no thematic priorities.*

Call open a) [The Innovative Training Networks \(ITN\)](#) aim to train a new generation of creative, entrepreneurial and innovative early-stage researchers, able to face current and future challenges and to convert knowledge and ideas into products and services for economic and social benefit.

Deadline: 17 January 2018.

Spreading excellence and widening participation *through engaging organisations of those countries which could commit more towards the EU research and innovation effort.*

[Twinning WIDESPREAD-05-2017](#): The specific challenge is to address networking gaps and deficiencies between the research institutions of the Widening countries and internationally-leading counterparts at EU level. CSA Coordination and support action.

Deadline: 15 November 2017

Horizon 2020 – Complementary Calls:

a) [COST Action](#): open Call - COST does NOT fund research itself, but supports networking via different tools such as meetings, short term scientific missions, training schools and dissemination activities part of COST Actions. Proposals should reflect the main characteristics of COST Actions, namely providing for knowledge sharing, creation and application, being open and output-oriented

26.10.2017

while aiming at strengthening the scientific and technological basis of the proposed topic(s). Actions are:

- Stem cells of marine/aquatic invertebrates: from basic research to innovative applications
- European Network on Understanding Gastrointestinal Absorption-related Processes
- European Network for Problematic Usage of the Internet
- Maximising Impact of research in NeuroDevelopmental DisorderS
- Coordination and Harmonization of European Occupational Cohorts
- European network of multidisciplinary research to improve the urinary stents
- Leukemia Gene Discovery by data sharing, mining and collaboration
- Realising the therapeutic potential of novel cardioprotective therapies
- Indoor living space improvement: Smart Habitat for the Elderly
- Investigation and Mathematical Analysis of Avant-garde Disease Control via Mosquito Nano-Tech-Repellents
- European Network of Vaccine Adjuvants
- European Cleft and Craniofacial Initiative for Equality in Care

If interested please contact Hans Hellebostad, best before 15th of September, hh@forskningsradet.no

More information can be found [here](#) and you can use this [application form](#).

Deadline: 25 April 2018

[Read more \(information and routines for application at UiB\).](#)

3. UiB

a) **[PES and POS \(Project establishment support\) and POS \(posisjoneringssmidler\)](#)** for Horizon2020 applicants (Norges Forskningsråd/UiB): open-ended during Horizon2020 Call period. Each H2020 coordinator-submitted, and formally approved/eligible proposal, will receive a PES grant without submitting a PES-application. Each submitted and formally approved/eligible partner proposal will receive a minimum of NOK 20,000 without submitting a PES-application.

You can apply for POS support by filling in POS application form (which is given on the above linked page) and sending it to Kristin.Hansen@uib.no.

On the following page the [local contact points](#) are listed where every call has a responsible research advisor. You can contact them or faculty advisors, [Ramune Midttveit](#), [Itana Sloper-Krivokapic](#).

4. **[Call: YoungCAS Summer 2018](#)** YoungCAS offers a unique opportunity for postdocs and other young scholars to do group-based research with colleagues from around the world during a one-week stay in Oslo.

Deadline: 13 November 2017

5. Upcoming call **[Centre for Advanced Study \(CAS\)](#)**. The agreement between UiB and CAS gives researchers with a permanent scientific position an opportunity to apply for their own research group for a one-year stay at the center. They choose their own theme and specialization, and invite researchers from all over the world to participate in the project.

Deadline: 15 January 2018

6. **[EDCTP is launching 11 calls for proposals in 2017 to support clinical research and capacity building in sub-Saharan Africa.](#)** Proposals are invited for the following topics:

- Treatment innovations for poverty-related diseases
- Strategic actions supporting large-scale clinical trials

26.10.2017

- Clinical trials to reduce health inequities in pregnant women, newborns and children
- Targeting control and elimination of NIDs through clinical trials
- Targeting control and elimination of NIDs through product-focused implementation research
- EDCTP-AREF Preparatory Fellowships
- Ethics and regulatory capacities
- Career Development Fellowships
- EDCTP-TDR Clinical Research and Development Fellowships
- Senior Fellowships
- Senior Fellowships for co-morbidities between poverty-related diseases (PRDs) and non-communicable diseases (NCDs)

Some of the calls are single stage and some are in two stages. For more information please have a look at the website given above.

Deadlines: from 5 September 2017 to 2 February 2018

7. [EEA](#) The activities funded under this call should aim at planning of joint research undertakings, joint proposals to be submitted under Horizon 2020 and other international R&D funding programmes.

Deadline: 31 December 2017

8. [SIU - Russia program](#) Up to NOK 21 million for three-year project cooperation between higher education institutions in Norway and Russia. Support of up to NOK 2 million per project can be applied.

Deadline: 1 November 2017

9. [Barnekreftforeningen](#) wants to support relevant projects in children oncology where the results of the projects are going to benefit children in Norway. More information [here](#).

Deadline: 1 December 2017

Fellowships and Personal Grants

1. [EMBO \(European Molecular Biology Organization\) Fellowships](#)

Research on the molecular mechanisms of life at all levels.

Deadline: throughout the year.

Short-term Short-Term Fellowships fund research exchanges of up to three months between laboratories in eligible countries.

Long-term The EMBO Long-Term Fellowships are awarded for a period of up to two years and support post-doctoral research visits to laboratories throughout Europe and the world.

2. **Harkness Fellowship** The Commonwealth Fund's Harkness Fellowships in Health Care Policy and Practice provide a unique opportunity for mid-career health services researchers and practitioners to spend up to 12 months in the United States, conducting original research and working with leading U.S. health policy experts.

Deadline: 13 November 2017

26.10.2017

3. [The Michael J. Fox Foundation for Parkinson's Research: The Edmond J. Safra Fellowship in Movement Disorders](#) The goal is to develop a network of highly trained clinician-researchers — the next generation of leaders in Parkinson's patient-relevant drug development and expert clinical care.
Deadline: 6 December 2017

Meetings/workshops/conferences

1. [Global health research opportunities in H2020](#) Join the seminar presenting upcoming calls and learn all about global health in H2020! Bergen Resource Centre, Bergen, 30 October 2017

New 2. [GLAM Workshop: Key Enabling Technologies for Better Cancer Diagnosis](#) aims at bringing together experts from the field of photonics, nanomedicine, micro-nano-bio systems and translational medicine and healthcare. University of Tel Aviv, 7 November 2017

3. [Healthcare Brokerage Event MEDICA 2017](#) The aim is to assist enterprises, universities and research institutions in finding partners in Europe for product development, manufacturing and licensing agreements, joint ventures or other types of partnership, Dusseldorf, Germany, 14 November 2017 [Registration](#)

4. [4th Conference of Joint Programme Initiative - Healthy Diet for Healthy Life \(JPI HDHL \)](#) , Brussels, 1 December,

5. [Info Day, Horizon 2020 – 'Health, demographic change and wellbeing'](#), 8 December 2017, Brussels, Belgium.
[Registration](#)

6. [Horizon 2020 - Health Partnering Day 2017](#) Health NCP Net 2.0 is organizing a free of charge Partnering event, meant to assist you in finding the right partners for the upcoming 2018 calls. 7 December 2017, Brussels. [Registration](#) until 31 October 2017.
