13:00 - 15:00

Universitetsaulaen,  
Muséplassen 3

Lee Epstein

Ethan A.H. Shepley  
Distinguished University Professor,  
Washington University in St. Louis

Professor Lee Epstein is one of the world's foremost students of judicial behavior. Her research and teaching center on law and legal institutions, especially the behavior of judges. Epstein also serves as Lecturer in Law at the University of Chicago, and Principal Investigator of the U.S. Supreme Court Database project. She has authored or co-authored over 100 articles and essays and 17 books, most recently *An Introduction to Empirical Legal Research* (with Andrew D. Martin)
