#### *Wellness at Solstrand*

Hotel Solstrand has a rather comprehensive wellness area consisting of multiple swimming pools, saunas, a gym as well as the possibility of diving into the sea itself (recommended for a morning dip). The use of the wellness area is included in the conference fee whereas costs for any SPA-treatment will have to be paid for by the individual participant.

#### *Food and drink*

Upon arriving and during the symposium, please feel free to help yourself from the coffee, tea and light food placed outside in the hall. Breakfast on arrival day is not included. Soft drinks during meals and a certain amount of wine/beer for dinner are included in the conference fee. Further beverages and snacks from the mini bar can be purchased individually.

#### *Wireless internet at Solstrand and the airport*

All Norwegian airports have free Eduroam. At Solstrand, the wireless network is open without a password.

#### *Smoking*

Solstrand is a non-smoking hotel and all rooms are non-smoking. There is a smoking lounge by the reception and smoking is permitted outside as long as you dispose of your cigarette stumps at the designated places.

#### *Sharing rooms*

Please send an e-mail to Ragna Breines ([Ragna.Breines@uib.no](mailto:Ragna.Breines@uib.no)) if you have the possibility to share the room with someone and did not state this when you registered.

### **Travelling from Solstrand to Bergen**

Participants need to arrange their own transport to and from the symposium and we encourage participants from Bergen to share cars as parking space is limited.

### **Arrival and departure by plane**

Upon arrival at **Bergen Airport Flesland**, we recommend you to take a taxi from the taxi stand at the airport to the hotel (address below). Norwegian taxis have card terminals and will accept all major international credit cards. For the return trip to the airport, you can either order a taxi yourself (+47 07000) or ask the staff at the hotel reception desk to order on your behalf. Taxis should be ordered well in advance. Normally, the taxi trip to/from the airport takes around 40 minutes, but can take up to 25 min longer during rush hours (07:00 to 09:00 and 15:00 to 17:30).

### **About Hotel Solstrand**

[Solstrand Hotel & Bad](#) is a historical hotel established in 1896 and situated right by the Bjørnefjord, an arm of the Hardangerfjord, 30 km south of the airport. This hotel was recently rated as Norway's best hotel and its unique location is very beautiful.
