

Practical Information

Liquid Biopsy Satellite Symposium

Solstrand, May 22nd 2018
Bergen - Norway

Welcome!

We would like to express our gratitude that you have decided to spend some of your time to enrich the Liquid Biopsy Satellite Symposium by your presence. Below you will find the necessary practical information. The program is to be found on [the website](#).

Registration (very important)

Please fill in and submit the [registration form](#) as early as possible and within **May 7th** at the latest. Please remember to press “submit”. You should receive an email confirmation.

Practical information

Arrival, registration and name tag on May 22nd

You will find the registration desk in the hotel lobby. Please register there and find your name tag. We kindly ask that you wear your name tag throughout the conference (hotel requirement).

Room reservations, luggage, check in and check out

Check-in will be possible from 15:00. Luggage can be kept in the luggage room. Latest check-out at departure day will be at 12:00. Rooms will be reserved in your name close to the symposium start if you have ticked the “I require a hotel room” on the registration form (we have reserved a limited number of rooms the 22nd), so your name will appear in the hotel system only very close to the symposium start.

Wellness at Solstrand

Hotel Solstrand has a rather comprehensive wellness area consisting of multiple swimming pools, saunas, a gym as well as the possibility of diving into the sea itself (recommended for a morning dip). The use of the wellness area is included in the conference fee whereas costs for any SPA-treatment will have to be paid for by the individual participant.

Food and drink

Upon arriving and during the symposium, we start with a nice lunch. Breakfast on May 23th is included if you stay the night. Dinner in the evening at the 22nd is included if you have signed up for this at the registration form. Soft drinks during meals and a certain amount of wine/beer for dinner are included in the conference fee. Further beverages and snacks from the minibar can be purchased individually.

Wireless internet at Solstrand and the airport

All Norwegian airports have free Eduroam. At Solstrand, the wireless network is normally open without a password.

Smoking

Solstrand is a non-smoking hotel and all rooms are non-smoking. There is a smoking lounge by the reception and smoking is permitted outside as long as you dispose of your cigarette stumps at the designated places.

Sharing rooms

Please send an e-mail to Ragna Breines (Ragna.Breines@uib.no) if you have the possibility to share the room with someone and did not state this when you registered.

Travelling from Solstrand to Bergen

Participants need to arrange their own transport to and from the symposium and we encourage participants from Bergen to share cars as parking space is limited.

Arrival and departure by plane

Upon arrival at Bergen Airport Flesland, we recommend you to take a taxi from the taxi stand at the airport to the hotel (address below). Norwegian taxis have card terminals and will accept all major international credit cards. For the return trip to the airport, you can either order a taxi yourself (+47 07000) or ask the staff at the hotel reception desk to order on your behalf. Taxis should be ordered well in advance. Normally, the taxi trip to/from the airport takes around 40 minutes, but can take up to 25 min longer during rush hours (07:00 to 09:00 and 15:00 to 17:30).

About Hotel Solstrand

[Solstrand Hotel & Bad](#) is a historical hotel established in 1896 and situated right by the Bjørnefjord, an arm of the Hardangerfjord, 30 km south of the airport. This hotel was recently rated as Norway's best hotel and its unique location is very beautiful.
