

ACADEMIA AGREEMENT – MOBILITY FUNDS (FAGLIG UTVEKSLING)

We are pleased to invite applications for funding of academic activities related to the four strategic areas given in the Academia Agreement between the University of Bergen and Statoil.

The application deadline is February 20th, 2017 and the activity applied for must take place by 31.12.2017.

Scientific staff at UiB and PhD students may apply for:

- 1) Travel to conferences, seminars and workshops related to the strategic areas for up to NOK 35 000. Priority will be given to participations with a presentation (oral and/or poster). Funds are not for educational purposes, and funding for field work is not eligible.
- 2) Invitation of a guest researcher to UiB for up to NOK 35 000 (for travel and living expenses).

Applications must be submitted via UiBs web-based application system at:

<https://fond.app.uib.no>

Strategic areas in the Academia agreement 2017:

1. Prediction of reservoir properties from seismic and well studies
2. Unconventional resources
3. Energy transition
4. Geothermal energy

Please note that all applicants must give acknowledgment to Statoil in talks or posters that are presented in conferences funded by the Academia Agreement. Regarding visiting scientists UiB applicants should ensure that the visiting guest researcher is introduced to the relevant Statoil environment, and are encouraged to propose a guest lecture at Statoil, in addition to a guest lecture at the University of Bergen, which should be announced for Statoil. Please use your own department contacts at Statoil to organize such an event.

The committee will use approximately two weeks to evaluate the applications.

All applicants will be informed by e-mail when the evaluations are ready. Please contact Kristin.Hansen@uib.no if you have any questions.

Kind regards

On behalf of the committee

Kristin Hansen

Adviser

Division of Research Administration
