Updated April 2024

University of Bergen

Peter Andersen

Associate Professor
Department of Geography
Expertise: Food, agriculture, environmental management

Lukas Bayer

PhD Candidate
Department of Geography
Expertise: Agriculture, system dynamics, transitions

Marianna Betti

Postdoctoral Fellow
Department of Social Anthropology
Expertise: Anthropology of oil and energy

Anand Bhopal

PhD Candidate
Dept. of Global Health and Primary Care
Expertise: Climate change and health

Janne Bjørgan

PhD Candidate
CET/ Dept. of Infomedica
Expertise: Climate change communication, climate news, media-policy interface

Barbara Bokor

PhD Candidate
Faculty of Law
Expertise: Marine plastic pollution

Scott Bremer

Senior Researcher
Centre for the Study of the Sciences and the Humanities
Expertise: Climate adaptation governance

Kerry Chance

Associate Professor
Dept. of Social Anthropology
Expertise: Urban ecology, climate change, global South

Rouven Doran

Associate Professor
Dept. of Psychosocial Science
Expertise: social influence, sustainable tourism, sustainable consumption, perception about climate change

Elisabeth Farmer

Senior Advisor
Faculty of Mathematics and Natural Sciences
Expertise: Marine

Rob Gawthorpe

Professor
Department of Earth Science
Expertise: Surface Processes, sedimentology

Siri Gloppen

Professor
Department of Government
Expertise: Rights, legal politics and mobilization, climate governance and legal mobilization

Jakob Grandin

Associate Professor
CET/ Department of Geography

Expertise: Transformations, governance, participation, urban planning, sustainability

Martin Greve

Associate Professor
Dept. of Physics and Technology

Expertise: solar cell research and nanotechnology

Håvard Haarstad

Professor/ CET Director
CET/ Department of Geography

Expertise: Urban transformations

Shoaib Hassan

PhD Candidate
Dept. Global Public Health and Primary Care

Expertise: Global health

William Helland-Hansen

Professor
Department of Earth Science

Expertise: Sedimentology, basin analysis, source-to-sink

Ahmad Hemmati

Associate Professor
Department of Infomatics

Expertise: Transportation, planning & city logistics, energy consumption

Ignacio Herrera Anchustegui

Associate Professor
Faculty of Law

Expertise: Competition, public Procurement, energy Law

Agnete Hessevik

PhD Candidate
Department of Government

Expertise: Maritime governance

Isabelle Hugøy

PhD Candidate
Department of Social Anthropology

Expertise: Agriculture, climate change, and energy

Solveig Høegh-Krohn

PhD Candidate
Department of Infomedia

Expertise: Media, public connection and rhetoric

Jessica Jewell

Associate Professor
CET/ Department of Geography

Expertise: Energy transitions

Tsimafei Kazlou

PhD Candidate
CET/ Department of Geography

Expertise: energy transitions, technological change

Ståle Knudsen

Associate Professor
Department of Social Anthropology

Expertise: Energy, corporate ethics Infrastructure environmental NGOs

Berte-Elen Konow

Professor
Faculty of Law

Expertise: Commercial, international trade, & private international law; international civil procedure

Birgit Kopainsky

Professor
Department of Geography

Expertise: System Dynamics, food systems, ecosystem services

Silje Kristiansen

Associate Professor
CET/ Department of Infomedia

Expertise: Communication, public perception, environmental communication

Saeed Langarudi

Associate Professor
Department of Geography

Expertise: System Dynamics

Hallvard Moe

Professor
Department of Infomedia

Expertise: Media use, democratic theory, media policy

Ingunn Myklebust

Professor
Faculty of Law

Expertise: Land use planning

Inger Måren

Associate Professor
Dept. of Biological Sciences

Expertise: Social-ecological systems; Sustainability

Simon Neby

Associate Professor
CET/ Department of Government

Expertise: Multi-level governance, Institutional change, Administrative policies and decision-making

Claudiu-Eduard Nedelciu

Postdoctoral Fellow
Department of Geography

Expertise: Sustainability in natural resource management

Kerim Nisancioglu

Professor
Department of Earth Science

Expertise: Climate Dynamics

Casey Nixon

Postdoctoral Fellow
Department of Earth Science

Expertise: Structural Geology

Lars Nyre

Professor
Department of Infomedia

Expertise: Media innovation, interaction design, innovation pedagogy

Ragnhild Overå

Professor
Department of Geography

Expertise: Development, gender, natural resource governance food security

Yvette Peters

Professor
Department of Comparative Politics

Expertise: Democracy, political inequality, representation, political participation

Daniel Puig

Postdoctoral Fellow
CET/ Department of Geography

Expertise: limits to climate change adaptation

Devyn Remme

PhD Candidate
CET/ Department of Geography
Expertise:

Benjamin Robson

Associate Professor
Department of Earth Science
Expertise: Geomatics and Remote Sensing

Siddharth Sareen

Professor
CET/ Department of Geography
Expertise: Energy governance & transitions, Development, Political Ecology

Sigrid Eskeland Schütz

Professor
Faculty of Law
Expertise: Environmental law, EU law

Ida Sekanina

PhD Candidate
CET/ Department of Infomedia
Expertise: Media use

Shayan Shokrgozar

PhD Candidate
CET/ Department of Geography
Expertise: energy, political economy, degrowth/ post-development

Subina Shrestha

PhD Candidate
CET/ Department of Geography
Expertise: cities, climate change, urban governance

Trygve Skjold

Associate Professor
Dept. of Physics and Technology
Expertise: Hydrogen safety

Michaël Tatham

Professor
Department of Comparative Politics
Expertise: Multi-level Governance

Endre Tvinnereim

Professor
Department of Government
Expertise: Perceptions & preferences, climate policy

Christine van der Horst

PhD Candidate
CET/ Department of Government
Expertise: Indigenous studies, environmental politics, socio-cultural anthropology

David Weinreich

Postdoctoral Fellow
CET/ Department of Geography
Expertise: Transport Governance, Urban Planning

Mahir Yazar

Postdoctoral Fellow
CET/ Department of Geography
Expertise: governance, institutions, environmental policy

Brita Ytre-Arne

Professor
Department of Infomedia
Expertise: Media studies

Simon Nygaard Øverland

Professor

Dept. of Global Public Health and Primary Care

Expertise: Disease burden, population health, public health

NORCE

Gisle Andersen

Research Professor

NORCE, Health & Social Sciences

Expertise: Science-policy interface, sociology, Norwegian petroleum policy

Timothée Bourgeois

Senior Researcher

NORCE, Climate & Environment

Expertise: Ocean biogeochemistry

Thea Gregersen

Senior Researcher

NORCE, Health & Social Sciences

Expertise: Climate, environment and sustainability

Mari Helliesen

Senior Researcher

NORCE, Health & Social Sciences

Expertise: Representation, public opinion, policy preferences

Erik Kolstad

Research Professor

NORCE, Climate & Environment

Expertise: Climate Adaptation

Ole Martin Lægreid

Senior Researcher

NORCE, Health & Social Sciences

Expertise: Carbon kuznets curve, political-institutional theory

Åsta Dyrnes Nordø

Senior Researcher

NORCE, Health & Social Sciences

Expertise: Political science

Rafael Rosales

Researcher

NORCE, Health & Social Sciences

Expertise: Transport governance

Stefan Sobolowski

Research Professor

NORCE, Climate & Environment

Expertise: Decadal climate prediction, climate services

Mathias Venning

Researcher

NORCE, Climate & Environment

Expertise: Climate services

Brooke Wilkerson

Senior Researcher

NORCE, Health & Social Sciences

Expertise: Climate adaptation, blue green infrastructure, systems approaches

Norwegian School of Economics (NHH)

Gunnar S. Eskeland

Professor
NHH

Expertise: Environmental Economics

Stein W. Wallace

Professor
NHH

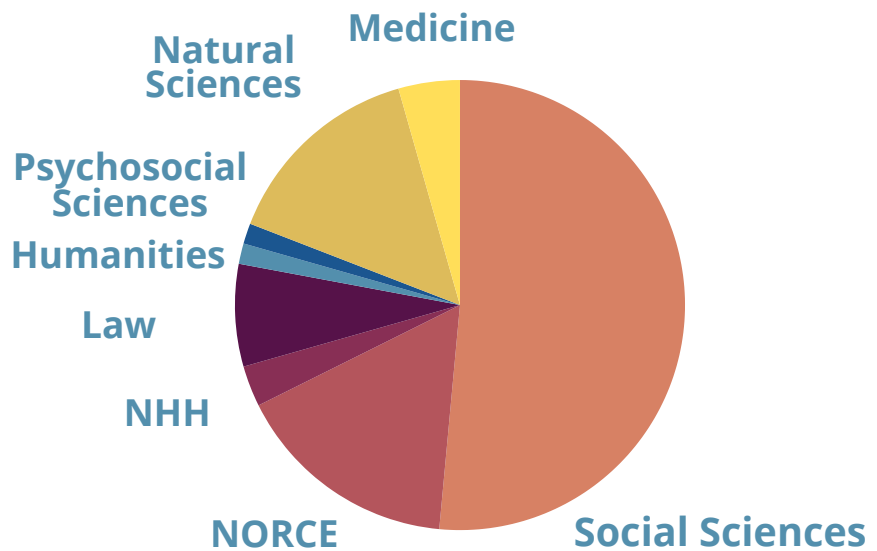

Expertise: Logistics
