CONTRACT FOR MAKING A DOTTORAL THESIS AVAILABLE IN BERGEN OPEN RESEARCH ARCHIVE (BORA)

Contract between The University of Bergen Library and the author: __________________________

The contract allows the University Library, on behalf of the University in Bergen, the right to deposit the author’s doctoral thesis in BORA. The author keeps copyright.

Title of thesis: ________________________________________________________________

The thesis will be openly accessible on the Internet as long as the University has an Institutional Repository. The author has the right to withdraw his/her thesis from BORA.

Articles in the thesis will only be made available if other possible copyright holders give their permission. The University Library has the responsibility for obtaining the rights from the publisher, while the author is responsible for acquiring permission from co-authors. The author is responsible for clearing copyright for material in the thesis (illustrations, graphs, pictures etc.).

The work can be used, that is referred to, linked to, quoted from, printed and downloaded for personal use only. This license is in compliance with the framework of the Norwegian Copyright Act no. 2 of 12 May 1961 relating to copyright in literary, scientific and artistic works, including changes: https://lovdata.no/dokument/NL/lov/1961-05-12-2 (in Norwegian).
