**Preparation:**

1) In preparation for the course, *and as part of your application*, we would like you to write a 2-page text on why this course is important to you.

2) For each discussion/seminar session you will find some key texts to read in advance of the session (details below).

**Tasks:**

To get 5/7.5 credits (depending on your institution), participants must prepare a 10-page text, drawing on the reading they have done for this course and associated texts. The paper should address the following issue: *How does the notion ‘Technologies are Us’ figure in your work, either methodologically or content-wise?*

**Core reading:**

**Session 1 ‘The Biased Face of Technology’ (Jill Rettberg)**

Session 2 ‘Ethics and the Posthuman’ (N. Katherine Hayles)

Session 3 ‘Bodies and Brains’ (Kari Jegerstedt)

cárdenas, micha: “Reproductive Futures in Trans of Color Feminism,” Transgender Studies Quarterly (3)1-2, 2016, pp. 48–57
