

PRE-PROPOSAL – Center for Regenerative Medicine

Research projects in Regenerative Medicine Forskningsprosjekt innen regenerative medisin

1. Basic information

Applicant institution	
Principal investigator	
Project start	
Project end	
Requested TMS funding	

2. Key areas addressed in this proposal:

Key area	Yes / No
Fundamental and translational stem cell research (human non-ATMP studies)	
Clinical trials with advanced therapeutic medicinal products (ATMP)	
Development of therapies using advanced therapy medicinal products (ATMPs).	
Other utilization of the Bergen ex vivo facility	
Bergen – Oslo project	

3. Participating members

No	Name/Institution
1	
2	
3	
4	
..	

Proposal text – maximum 3 pages (in addition to template front page), font Times New Roman, 11 pt.

The following text can be deleted

Please note: Information on the following must be included:

Objectives and Relevance

- Describe the overall and specific objectives of the proposal, and relevant hypotheses/research questions
- Describe the project's originality relative to the state-of-the-art in the field.
- Describe how the proposed project will contribute to the chosen subject area under this call.
- Describe the projects use or plans for future use of the Ex Vivo Facility in Bergen

Impact/potential long-term effects:

- Describe how the proposed project will have a long-term positive impact on the development of the Center.
- Describe the potential to advance science, improve methods, innovation, utilize equipment/data and /or improve clinical practice

The research environment:

- Describe the research environment, how it contributes towards the project's objectives, and brings together necessary expertise and infrastructure.

Documents to be attached:

- Short CV of the PI (max 3 pages) and publication list (containing all publications since 2015, and the 10 most important publications).
- A commitment letter from the coordinating institution describing the nature and level of its contribution to the project. The letter must be signed at the appropriate institutional level and by the PI.
- A commitment letter signed by the PI
