

UNIVERSITY OF BERGEN
Center for Modeling of Coupled Subsurface Dynamics

Winter School 2023

Modeling of Coupled Subsurface Dynamics

Multi-disciplinary winter school for PhD candidates and early career scientists in mathematics, earth science and related fields

Main Instructor:

- Professor *Hamdi Tchelepi*, Stanford University

Myrkdalen Mountain Resort

March 13-17, 2023

Webpage:

<https://www.uib.no/en/vista-csd/156521/csd-winter-school-2023>

Application Deadline: December 1, 2022

Topics:

- Mathematical modelling and simulation
- CO2 storage
- Induced seismicity
- Science communication
- Policy making
- Career development
