

# Directions to the Student Centre and Sammen's Housing Reception

The Student Centre, Parkveien 1

Sammen's Housing Reception is located on the main campus, at the Student Centre (campus map no. 14)

Upon arrival, all new students must go to Sammen's Housing Reception in the Student Centre to check in and obtain a room key before going to their respective student hostels.

## How to get to the Student Centre

### From the airport to the bus station

#### Via Flybussen:

Take Flybussen (the airport bus) to the central bus station in the sentrum (city centre). The central bus station is attached to a mall called Bergen Storsenter. It looks more like a bus terminal outside the mall than a typical bus station. The stop name for the central bus station is listed on Flybussen as Bergen Storsenter. You can tell the bus driver you are going to the bus station or Bergen Storsenter. (S)he can then let you know when to get off the bus.

#### Via Bybanen (the Bergen light rail):

The Bergen lufthavn Bybane stop is easily accessible down the escalator outside the airport terminal. Buy a ticket at the Skyss ticket machine near the exit before leaving the airport. From the Bergen lufthavn stop, ride Bybanen (in the direction of Byparken) all the way to the central bus station (Bystasjonen). Information about ticket pricing and how to buy tickets is available at: [www.skyss.no/en/tickets-and-prices/buying-tickets/](http://www.skyss.no/en/tickets-and-prices/buying-tickets/)
