### Letter of Support (LoS) for HySchool

We hereby confirm our support for “*Norwegian research school on hydrogen and hydrogen-based fuels*” (HySchool), as outlined in the project description for Research Council of Norway (RCN) project no. 332042.

<Brief description of the company / organisation ... >.

The primary objective of HySchool is to contribute to the global energy transition by enhancing the quality of Norwegian doctoral training on the use of hydrogen and hydrogen-based fuel as energy carriers. <Add a brief description of the participant’s specific interest in, and competence related to, the activities in HySchool>

<Name of Participant/Partner> can contribute with (examples):

- Participation and presentations at HySchool Days
- Participation and presentations at online seminars
- Contributions to workshops and training activities
- Hosting, organising, or facilitating field trips or excursions
- Provide input to research topics or innovative teaching and learning practices.

(NOTE: The bullet points above are just examples, feel free to add, modify and delete)

<Date>

Yours sincerely,

---
