

Bioinformatics in Bergen (BiB) Conference | August 2021

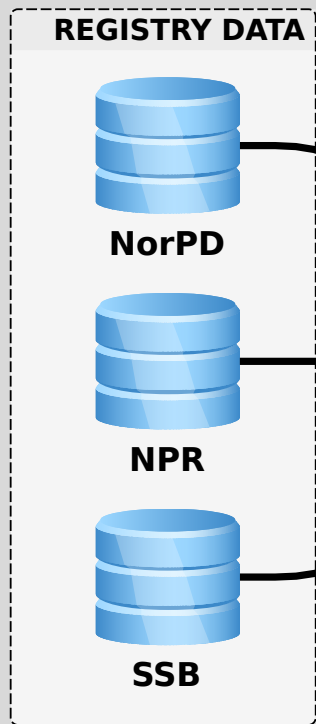

Julia Romanowska

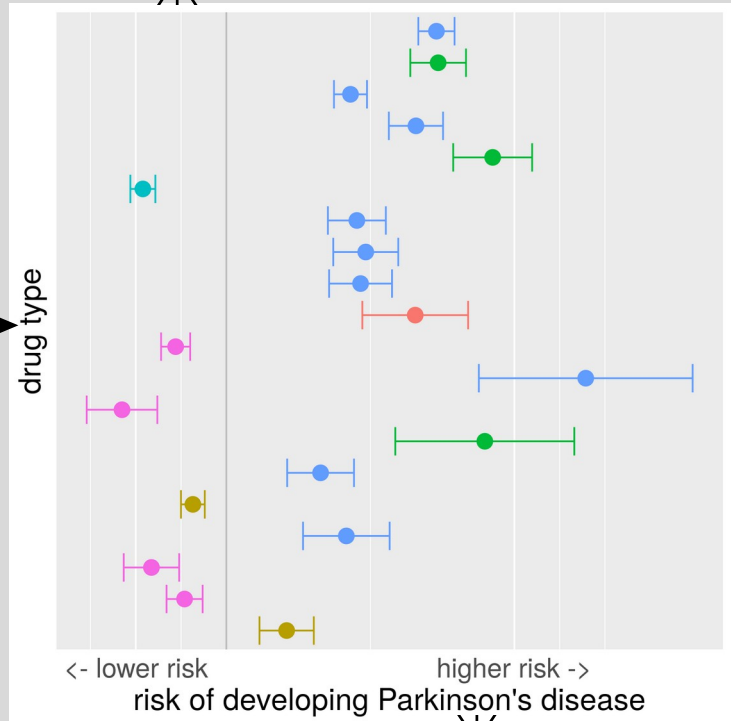

Bioinformatician
Dept. of Global Public Health
and Primary Care, UiB

bioinformatics,
data visualization,
R programming,
(epi)genetic epidemiology,
methodology development

R-Ladies Bergen co-founder
(<https://www.meetup.com/rladies-bergen/>)

big data statistical analyses

drugs that prevent PD

in vitro experiments

in vivo experiments

new treatment

in vitro experiments

biology behind PD genesis explained

drugs that increase PD risk

bioinformatics network analysis

BiB 2021
