In 2023, the III EU-CELAC Meeting in Brussels set the stage for relations between the two regions. But the journey is far from over.

As Norway often aligns with EU trends, could we see a closer Norway-Latin America relationship, inspired by the EU's efforts? What is the road forward for stronger Europe-Latin America ties?

This Brown Bag Lunch is jointly organized by the *Department of Foreign Languages* and the *Department of Comparative Politics*.
