

# CCBIO Junior Scientist Symposium

**December 8<sup>th</sup> 2016**

**Auditorium, Hudbygget, Haukeland University Hospital  
10.00-14.00**

We have the pleasure of inviting you to attend the upcoming CCBIO Junior Scientist Symposium, December 8<sup>th</sup>. We are happy to present a scientific program including several external inspirational speakers, as well as exciting projects from talented local young researchers.

If you want to attend, we kindly ask you to register your attendance and lunch preferences through this link **within December 6<sup>th</sup>**:

Link to registration: <https://skjemaker.app.uib.no/view.php?id=2788258>

## **SCIENTIFIC PROGRAM**

**10.00-10.45: Professor Arild Raaheim (Department of Education, UIB):**

A supervisor's view on supervision. Challenges and possibilities

**10.45-11.00: Coffee and gingerbreads**

**11.00-11.20: Karen Mauland (K1):** High proportion of visceral fat is linked to poor endometrial cancer outcome

**11.20-11.40: Gry Sandvik Haaland (IBM)** Warfarin use and cancer incidence

**11.40-12.00: Trung Ha (K2)** Preclinical Activity and Molecular Mechanisms of Resazurin in Acute Myeloid Leukemia

**12.00-12.40: Lunch** (lunch included, please specify upon registration)

**12.40-13.00: Hanna Dillekås (K1):** Recurrence of breast cancer in relation to delayed reconstruction

**13.00-14.00: Professor Curtis Harris (Center for Cancer Research, National Cancer Institute, NIH):** Integration of Multiple "OMIC" Biomarkers: A Precision Medicine Strategy for Lung Cancer

You are all very welcome! Please feel free to circulate this information if you know of other researchers/staff that you think would find this symposium interesting.

**Symposium Chairs: Elisabeth Wik and Erling Høivik**

**The CCBIO Research School**
