

R&D NETWORK

Personalized Cancer Therapy: Repurposing and in vitro drug screens

Date: November 10th, 2016; 10:30h – 17:00h

Place: Aud. 4 (aud. 2 from lunch), BB-building, Haukeland University Hospital/UiB

Please register via the Oslo Cancer Cluster website [here](#).

PROGRAM

Moderator: *Bjørn Tore Gjertsen, Co-Director and Professor, Centre for Cancer Biomarkers (CCBIO)*

Place: Auditorium 4 till lunchbreak, and auditorium 2 after lunchbreak.

- 10:30–11:00 **Registration and coffee**
- 11:00–11:10 **Welcome and introduction**
Ketil Widerberg, General Manager Oslo Cancer Cluster and Bjørn Tore Gjertsen, CCBIO
- 11:10 – 11:25 **Setting the scene: Repurposing in glioblastoma - clinical considerations and novel insights?**
Per Øyvind Enger, UiB and Haukeland University Hospital
- 11:25 – 11:35 **Setting the scene: the patient perspective**
Lars Haakon Søråas

- 11:35–12:15 **Repurposing and clinical trials in cancer – academic trials from a charity perspective**
Pan Pantziarka, AnticancerFund, UK
- 12:15 – 13:15 **NETWORKING LUNCH**
- 13:15–13:30 **Sarcoma therapy development: Next gen sequencing and implications for drug choice**
Eva Wessel Stratford, Oslo University Hospital
- 13:30 – 13:45 **Drug screening for acute myeloid leukemia patients**
Jorrit Enserink, Oslo University Hospital
- 13:45–14:00 **In vitro drug screen in B-cell malignancies**
Kjetil Taskén, Norwegian Center for Molecular Medicine (NCMM), Oslo
- 14:00–14:15 **Biotech perspective – Case Study**
Emmet McCormack, Kinn Therapeutics, Bergen
- 14:15 – 14:30 **COFFEE BREAK**
Opportunity for CCBio Seminar participants to join the program
- 14:30 – 14:55 **International Keynote: In vitro drug screen in acute myeloid leukemia**
Caroline Heckman, FIMM, Helsinki
- 14:55 – 15:15 **Case study: Repurposing of Quinacrine for treatment of acute myeloid leukemia**
Anna Eriksson, Uppsala University, Dept. of Medical Sciences
- 15:15 – 15:30 **Drug repurposing: an opportunity for developing better drugs for children with cancer**
Cesare Spadoni, Chairman aPODD (accelerating Paediatric Oncology Drug Development)
- 15:30 – 16:00 **Discussion and Wrap up**
- From 16:00 **MINGLING with FINGER FOOD**

For questions: Jutta Heix (jh@oslocancercluster.no) or Samantha Scarlett (samantha.scarlett@helse-bergen.no).

The meeting is organized as a joint CCBio and Oslo Cancer Cluster event in collaboration with Haukeland University Hospital and the University of Bergen.
