

Southern African-Nordic Centre

# SANORD DAY April 19th 2023

**Location: UiB, Bergen Global, Jekteviksbakken 31, Bergen.**

Southern African - Nordic Centre (SANORD) is an association of institutions for higher education and research. The objective is to promote strategic, multilateral academic cooperation between institutions in the Nordic region and the regions of southern Africa.

UiB and HVL are both members of the SANORD network together with over 50 other universities and higher education institutions in the Nordic Countries and Southern Africa. Umesh Bawa, University of the Western Cape, is the director of SANORD and visiting Bergen in April.

This is an open event for all researchers and students interested to know more about and participate in the SANORD network and research collaboration between UiB/HVL and institutions in the Southern African region. Use the QR code below to register for the event!
