INVITATION TO RESEARCH SEMINAR

WithScotland: Connecting, exchanging and protecting.

Annette Webb, WithScotland & University of Stirling, Scotland

Time: Wednesday 11th May 2016

12.00 - 12.10: Welcome by Annette Iversen

12.10 - 1.00: Presentation by Annette Webb

1.00 - 1.30: Joint discussion

Venue: HEMIL møteroom, Christiesgt.13, 5th floor.

Annette Webb is responsible for the coordination of research for *WithScotland*, a governmental organization which supports child protection practice, policy and research across Child Protection Committees. She has taught research skills, managed research projects and evaluation studies for 14 years in the University of Stirling Management School, Manchester University Business School and Edinburgh College Management School. Currently, she has been developed various research and practice briefings related to child sexual exploitation, child trafficking and child neglect, as well as wellbeing and resilience. Before joining *WithScotland* Annette was a Senior Lecturer in Management Studies at Edinburgh College; ran a successful training and consultancy business in the child protection and addiction fields and worked as a Research Coordinator at The Scottish Drugs Training Project, University of Stirling.

The seminar is organized in collaboration with BLI Gruppen.
