

**APPLICATION FOR ADMISSION TO THE PHD-PROGRAMME AT THE FACULTY OF LAW,
UNIVERSITY OF BERGEN**

1. Personal information:

Attach CV.

Last name	First name	Date of birth and identity number. (11 digits)
Residential address	Postal code Postal district	Telephone private
	Country (if outside Norway)	Mobile phone
Workplace adress (during research programme):	Postal code. Postal district	Telephone work
	Country (if outside Norway)	
Nationality	Female	E-mail adress
	Male	

2. Education post upper secondary school:

A. Master's degree or equivalent:

Degree:	Year:	Semester:
Institution:	Faculty:	Department:
Comments:		

B. Other education at university level

Education	Year	Semester	Institution (or faculty and department)
Comments			

B. Bachelor's programme

Name of programme and institution			
Course	Course code	ECTS-credits	Grade
Average grade:			

4. Relevant experience:

Here you may provide information about relevant experience, which you consider relevant for the project that you wish to undertake.

--

5. Publications:

If you have issued publications, which are relevant for the project, or have other academic works which you want to have taken under consideration when evaluating your application, you may list them here.

6. Employment and financing of research programme:

In the application the applicant must include information on how he/she plans to cover living expenses, expenses related to executing the project, including operating costs, as well as expenses for stays abroad. If the applicant does not indicate how these costs are to be covered, this may lead to the department/faculty rejecting the application. If you are receiving a fixed salary, a copy of the letter of employment/employment contract must be attached. If you have a scholarship/stipend or loan scheme you must attach a letter of confirmation.

Employment period / Financing period From date: _____ To date: _____	Education period From date: _____ To date: _____
Employer: _____	
Type of employment: Research fellow Temporary contract Permanent Employment not connected to the PhD-programme	
Per cent of full-time position*:	
Main financing source:	
Any other source of financing:	
Is the thesis part of a project? YES / NO	If yes, insert project title:
Comments:	

**If you have compulsory duties that are included in your research programme period, the percentage amount of your position in total must be equal to the total of the research and compulsory duties (e.g. 100% if you work full-time as a university research fellow). If you have a permanent position and are permitted to use a percentage of this position to acquire a PhD degree, indicate this percentage.*
