### **CURRENT POSITION:**

**Scientific Director, Comparative Research Programme on Poverty (CROP)** of the International Social Science Council (ISSC) hosted by The University of Bergen (UiB), Norway ([www.crop.org](http://www.crop.org)). CROP is a global research institution integrated by more than 1600 researchers from all the continents. The programme works in collaboration with knowledge networks, institutions and scholars to build and disseminate independent, inter and transdisciplinary knowledge, to help shape policies for preventing and eradicating poverty. In this position, he provides leadership in the intellectual development, implementation and co-ordination of CROP activities and joint projects with international partner organizations / programmes in a multi-cultural environment; ensure effective representation and links with other relevant research programmes and their sponsoring organizations, as well as relevant entities of the United Nations system, the international policy community and funding agencies; plays a major role in organizing CROP capacity building and outreach activities; and leads the acquisition of funding, management and mobilizing resources. He also coordinates large research and educational projects and partnerships, like UTFORSK 2016 long-term “Partnership for Poverty and Sustainable Development Studies” funded by the Norwegian Centre for International cooperation in education (SIU). May **2011 – Present**

### **IMMEDIATE PREVIOUS POSITIONS:**

- **Professor** (*Chair, Theory of International Relations*) at the School of Social Sciences (undergraduate level), the School of Economic Sciences (graduate level) and the Law School (graduate level). **University of Buenos Aires (UBA). 2004 - 2011** (currently on leave of absence)
- **Associate Researcher** of the **National Council of Scientific and Technological Research of Argentine Republic (CONICET)**. Scientific Discipline: Political Science and International Relations. Field of Study: Political Economy. Fields of Concentration: Regional Integration and Poverty. Place of Work: Instituto de Investigaciones Económicas (Institute for Economic Research), University of Buenos Aires. **2001 - 2011** (currently on leave of absence)

- **Coordinator of the Area of International Relations. Latin American Council of Social Sciences (CLACSO).** In this position, he managed some of the largest international projects developed at CLACSO: **(i)** The CLACSO-CROP Programme on Poverty Studies funded by The Norwegian Agency for Development Cooperation -NORAD; **(ii)** The South Project between Africa and Latin America supported by CLACSO and The Swedish International Development Cooperation Agency, SIDA; **(iii)** The Africa/Asia/Latin America Scholarly Collaborative Programme jointly developed by the Council for the Development of Social Science Research in Africa (CODESRIA), the Latin American Council of Social Sciences (CLACSO), and the Asian Political and International Studies Association (APISA) with the support of SIDA; and the **(iv)** the international research project on “Environmental Governance in Latin American and the Caribbean” led by the University of Amsterdam and CLACSO along with a consortium of 10 European and Latin American Universities. This project was supported by the European Commission under the FP7-SSH. **1997 - 2011**

## **ACADEMIC EXPERIENCE**
