

# CURRICULUM VITAE

## KENNETH HUGDAHL

### University of Bergen

**Birth:** January 15, 1948

**Civil Status:** Married to Märit (1973-2016), 2 children, 4 grandchildren

**Home address :** Fantoftveien 36, 5072 Bergen, Norway

**Office address:** Department of Biological and Medical Psychology, University of Bergen, Jonas Liesvei 91, N-5009 Bergen, Norway. **Email:** hugdahl@uib.no

**Main reserach interests:** Cognitive neuroscience and fMRI, hemispheric asymmetry and dichotic listening, cognitive dysfunction in schizophrenia, neurobiology of auditory hallucinations.

#### Academic Degrees:

B.A. 1973, Uppsala University, Sweden

Ph.D. in Psychology 1977, Uppsala University, Sweden

Docent in Psychology, 1981, Uppsala University, Sweden

#### Positions and Visiting professorships

Research Assistant, Dept Psychology, Uppsala University, Sweden, 1974-1979

Postdoc, Dept Psychology, University of Pennsylvania, USA, 1979

Assist prof., Dept Psychology, Uppsala University, Sweden, 1980-1984

Professor, Dept Biological and Medical Psychology, University of Bergen, Norway, 1984 -2021

Adjunct Researcher, Dept Neurosurgery, Haukeland University Hospital, Bergen, 1990-2000

Visiting professor, Neuropsychiatric Institute, UCLA, USA, 1991

Visiting professor, Max-Planck Institute for Cognitive Neuroscience, Leipzig, Germany, 2002

Adjunct Researcher Div of Psychiatry, Haukeland University Hospital, Bergen, 2005-2021

Head of the Bergen fMRI-Group, 1993 - 2016 (National Resource Center for fMRI from 2003)

Head of the Bergen Mental Health Research Center 2003-2008

Head of the Norwegian Node of the Nordic Center of Excellence in Cognitive Control 2006 - 2010

Adjunct Researcher Dept. Radiology, Haukeland University Hospital, Bergen, Norway, 2012-2021

#### Publications

Has published >400, listed in PubMed and >500 listed in ISI Web of Science All Databases, with publications in all major journals in my field of research, and 6 books, among them the classic *three edited volumes on hemispheric asymmetry* published by MIT Press (1993; 2003; 2011) which are used as reference literature by researchers all over the World, and the *Psychophysiology - the Mind-Body Perspective* textbook published by Harvard University Press, which has been used as textbook for students all over the World since its publication in 1995. See separate "Publication list" for details". Google Scholar Citations: >38.000, h-index: 109. Ranked as #1 most cited in Neuroscience and #2 in Psychology in Norway according to Research.com rankings (<https://research.com/scientists-rankings/neuroscience/no>)

#### 10 key and high-impact publications:

1. Eichele, T., Debener, S., Calhoun, V., Specht, K., Engel, A., **Hugdahl, K.**, von Cramon D.Y., Ullsperger, M. (2008). Prediction of human errors by maladaptive changes in event-related brain networks. *Proceedings of the National Academy of Sciences (PNAS)*, 105, 6173-6178.
2. Eichele, T., Specht, K., Moosmann, M., Jongsma, M.L.A., Quian Quiroga R., Nordby H. & **Hugdahl, K.** (2005). Assessing the spatiotemporal evolution of neuronal activation with single-trial event-related potentials and functional MRI. *Proceedings of the National Academy of Sciences, (PNAS)*, 102, 17798-17803.

3. Falkenberg, L.E., Westerhausen, R., Specht, K., **Hugdahl, K.** (2012). Resting-state glutamate level in the anterior cingulate predicts blood-oxygen level-dependent response to cognitive control. *Proceedings of the National Academy of Sciences, (PNAS)*, 109, 5069-5073.

#### **Honors, Prizes and Awards**

Fulbright-scholarship, Fulbright Foundation, USA, 1979 and 1991  
 Scholarship Sweden-America Foundation, USA, 1979  
 Norwegian Research Council (NAVF) Award for "Distinguished Scientific Contributions", 1988 (Highest award given by NAVF)  
 Publication Award, Faculty of Psychology, University of Bergen, Norway, 1998  
 Elected to the Norwegian Academy of Science and Letters, 2002  
 Elected to the Finnish Academy of Science and Letters, 2002  
 "Excellent" awarded by the Research Council of Norway evaluation of Health Sciences, 2004  
 Science Popularization Award, Faculty of Psychology, University of Bergen, Norway, 2005  
 Swedish Neuropsychological Association Research Award, University of Lund, Sweden, 2006  
 Western Norway Health Authority Award for "Distinguished Research Group", 2006, (highest award given by Western Norway Health Authority)  
 Honorary Doctor (doctor honoris causa), University of Turku, Finland, May 2009

Honorary Award for Outstanding Research, Faculty of Psychology, University of Bergen, 2009  
 Frontiers Associate Editor Award, Geneva, Switzerland, 2009  
 Publication Award for most productive research group in a single year, Regional Health Authorities in Western Norway (Helse-Vest) 2009, 2010  
 Listed in the Association for Psychological Science (APS), USA, "The Faces and Minds of Psychological Science", 2013  
 Meltzer Foundation Honorary Award for Outstanding Research, University of Bergen, Norway, 2014, (highest internal award given by University of Bergen)  
 Møbius Award from the Research Council of Norway (RCN) for Outstanding Research, Oslo, 2014 (highest award given by RCN)  
 ERC Advanced Grant, 2009 and 2016

### **Teaching and textbook authorship**

Full-time teaching experience in psychology and related disciplines from all levels of University-studies, from the undergraduate to the Ph.D-level, since 1975.

### **Textbooks/teaching videos**

K. Hugdahl, *Psychophysiology: The mind body perspective*. (1995): Cambridge, MA: Harvard University Press, USA (430 pp)

### **Innovation and Industrialization**

I was one of the founding partners of the NordicNeuroLab Inc (NNL), Bergen, Norway in 2001, <http://www.nordicneurolab.com/>, which produces add-on hard- and software for fMRI investigations. The company holds several patents and is today World-leading in its market segment, with ~50 employed at the Main Office in Bergen, Norway, and with an annual turnover of approximately EUR 10.0 mill. (NOK 100.0 mill) in 2023. NNL has

more than 1000 installations in over 60 countries and holds three patents in the US and Europe; (US8085942 B2, EP2095144 A1); (EP 1887932 A1); (US 8,554,304 B2).
