Languages

Norwegian bokmål: Native
Norwegian nynorsk: Native
English: Fluent
German: Advanced
Spanish: Basic

Education

Ph.D. Comparative politics, University of Bergen, 2012.
M.A. Comparative Politics, University of Bergen, 2005.
B.A. Comparative Politics, University of Bergen, 2003.

Exchanges

EON Ruhrgas Stipendienfonds Exchange Student, Otto-Suhr Institut, Freie Universität Berlin (2004- 2005)
Erasmus Exchange Student, Facultad de Ciencias Políticas y Sociología, Universidad de Granada (2003)

Courses

Applied Bayesian Hierarchical Modelling. Instructor: Xavier Fernández i Marín, University of Bergen, 2014.
Survey Construction and Measurement. Instructors: Torbjørn Torsheim and Ann Bostrum. University of Bergen, 2014.

Quantitative text analysis. Instructor: Michael Stoffel. University of Bergen, 2013.
Factorial Survey Designs. Instructors: Katrin Auspurg and Karsten Sauer. GESIS Summer School, Cologne 2013
Experimental Techniques in Survey Research. Instructors: Stefanie Eifler and Lisa Wallander. GESIS Summer School, Cologne 2013
Political and Election Forecasting. Instructor: Michael Lewis-Beck. ECPR Summer school in Methods and Techniques, Ljubljana 2010.
Mathematical Concepts and Formal modelling. Instructor: Rebecca Morton. ECPR Summer school in Methods and Techniques, Ljubljana 2008.
Time Series: Applications and Advances. Instructor: Prof. Harold Clarke. Essex Summer school 2007.
Mathematics for Social Scientists. Instructor: Lara Alcock. Essex Summer school 2007.

Acquired data processing skills

Office automation: R Markdown, LaTeX, Beamer.
Data management and analysis, and web: R, Stata, SPSS, Eviews

Work experience

Senior research fellow, NORCE (2018-)
Associate Professor II, Department of Comparative Politics, University of Bergen (2018-2020)
Senior research fellow II, UNI Rokkan Centre (2017-2018)
Post doctoral research fellow, Department of Comparative Politics, University of Bergen (2013-2018)
Secretary for the Local Democracy Committee, University of Bergen (Jan 2017 - Apr 2017)
Senior research fellow, UNI Rokkan Centre (2012-2013)
Research Fellow, Department of Comparative Politics, University of Bergen (2007-2011)
Consultant, Norwegian Social Science Data Archive (2007)
Research assistant, Department of Comparative Politics, University of Bergen (2005, 2006)
Co-Founder, Predimark (2005-2007)

Career breaks

January 3, 2011 - April 4, 2011: Parental leave
March 11, 2011- June 2, 2014: Parental leave

Academic endeavors

Visiting Scholar invitation to Stanford University, Department of Political Science (2020)
Holberg Prize School Project, scientific jury member (2019-2023)
Main coordinator of the quantitative group at the 2018 Norwegian Political Science Conference (2018) Scientific evaluator for the Icelandic Centre for Research (Research Council of Iceland) (2018)
Principal investigator of the 2017 European Internet Panel Study (EIPS), a survey fielded to 18000 respondents in France, Germany, Iceland, Norway, Sweden, and The Netherlands. (2016-2017)
Head of the Norwegian Citizen Panel Scientific Committee (2016-2017)
Member of the Norwegian Citizen Panel Scientific Committee (2014-)
Representative of the Norwegian Citizen Panel in EIPS - The European Internet Panel Study (2015-)
Coordinator of the 2015 Norwegian local election campaign web panel survey (2015-2017)
Scientific coordinator of the Political Behavior and Democracy research unit at the Digital Social Science Core Facilities (DIGSSCORE) (2014-)

Member of the scientific team generating the survey waves of the Norwegian Citizen Panel (2013-2017)
Member of research team at the Center for Research on Voluntarism and the Third Sector (2012-2013)
Member of research team at Local Democracy Study 2011 (2012-2013)

Externally funded projects

- “Democratic innovation in practice: Investigating real-world participatory processes and their influence on democratic legitimacy.” Research Council of Norway project grant, NOK 5.5 million awarded for the period 2019-2023. Role: Principal Scientific Investigator.
- “The Norwegian Local Election Studies of 2019 and 2023”, NOK 12 million awarded for the period 2019-2024. Role: Project team member.
- “The Challenge from Terrorism in the Nordic Countries: An analysis of citizens’ reactions, policy responses and legitimacy”, Nordic Research Council (NORDFORSK) project grant, NOK 9 million awarded for the period 2018-2022. Role: Core team member of PI institution.
- “Forskning på demokrati og tillit og politisk ulikhet” (“Research on democracy, trust, and political inequality”), NOK 1.3 million awarded for the period 2018-2020. Role: Core project team member.
- “Can Fair Decision-Making Procedures Increase The Legitimacy of Democracies?”, NOK 8 million awarded for the period 2017-2021, Norwegian Research Council as Young Research Talent for the project. Role: Principal Investigator.
- Project initiation grants for several EU level applications (ERC 2018 Starting Grant, 2016 INFRADEV, INFRAIA).

Peer reviewing

Reviewer for Electoral Studies (2019)

Reviewer for Journal of Elections, Public Opinion & Parties (2019)

Reviewer for Social Science Computer Review (2019)

Reviewer on the Centre for Experimental Social Sciences Ethics Committee (CESS), Nuffield College, University of Oxford (2018-2019)

Reviewer for Political Studies (2019)

Reviewer for Political Behavior (2018)

Reviewer for European Journal of Political Research (2018)

Reviewer for Political Behavior (2018)

Reviewer for Climate & Policy (2018)

Reviewer for British Journal of Political Science (2017)

Reviewer for Public Opinion Quarterly (2017)

Reviewer for Scandinavian Political Studies (2014, 2015, 2018)

Reviewer for the Norwegian Journal of Political Science (2015)

Reviewer for the Norwegian Citizen Panel open category (2015)

Research guidance

SAMPOL 250 -Bachelor thesis supervision at the Department of Comparative Politics, 14 students (2008-2010)

EUR 101 - Introduction to European History and Politics. Seminar leader (2003-2005)

Teaching experience

SAMPOL 324 - Political Engagement: Practical, empirical research (2018, 2019)

This master's level course focuses on teaching experimental social science research

SV 100 - Social Science Perspectives (2015)

In this introductory, interdisciplinary course for the social science students at the University of Bergen, I gave a lecture on Survey Methodology and Experimental Design.

SAMPOL 601 - Statistical Methods (2010, 2012, 2013) This course teaches quantitative analysis to students in the continued learning program at the Department of Comparative Politics, University of Bergen.

SAMPOL 112 - American Politics (2010) American politics and political system

MET 102 - Introduction to Statistical Methods (2009-2010)

This course is an interdisciplinary social science methods course in which I was part of a four-person team to be responsible for setting up the curriculum, giving lectures, coordinating seminars, and making exercises and exam tasks for the students. In the evaluation report the students graded my efforts at 3.9 out of 5 (average 3.4).

Popular science endeavors

Several contributions to the London School of Economics' EUROPP blog (2013-2019)

Member of the Vox Publica advisory board, an online Norwegian magazine on democracy and freedom of speech (2015-)

Regular contributor to regional newspaper Bergens Tidende *Innsikt* (2014-2016)

Responsible for the Norwegian Citizen Panel blog at Vox Publica (2013-)

Responsible for the Election blog at Vox Publica (2009-2012)

Administrative experience

Evaluator of PhD student Henrik Bentsen's "sluttseminar" (2018)

Organizer of the Norwegian Citizen Panel Conference (2014)

Member of the University of Bergen Central Election Board (2009-2013)

Co-coordinator of the seminar series on Experiments in the Social Sciences (2010)

Group B representative in the Faculty of Social Science Board at the University of Bergen (2008-2009)

Scholarly works

A. Degree dissertation

- Arnesen, Sveinung (2012): *Leaping into the unknown - Comparing, testing and applying methods of predicting elections*. PhD thesis, University of Bergen.

B. Publications in academic periodicals with referee reviewing

- Arnesen, Sveinung, Troy S. Broderstad, Mikael Johannesson, and Jonas Linde (2019): "Conditional Legitimacy: How turnout, majority size and outcome affect perceptions of legitimacy in EU membership referendums". *European Union Politics*, DOI: 10.1177/1465116518820163.

- Christensen, Dag Arne, Tor Midtbø, and Sveinung Arnesen (2019): “Påvirker innvandrings-scenarier nordmenns holdninger til innvandrere? Et surveyeksperiment” *Journal of Social Research*, Volume 60, Issue 2-2019, p. 123–139.
- Arnesen, Sveinung, Dominik Duell, Mikael P. Johannesson (2019): “Do citizens make inferences from political candidate characteristics when aiming for substantive representation?”, *Electoral Studies*, Volume 57, February 2019, Pages 46-60, available online since November 1, 2018, <https://doi.org/10.1016/j.electstud.2018.10.005>.
- Strijbis, Oliver, and Sveinung Arnesen (2019): “Explaining variance in forecasting error of prediction markets”, *International Journal of Forecasting*, Volume 35, Issue 1, January–March 2019, Pages 408-419, <https://doi.org/10.1016/j.ijforecast.2018.04.009>.
- Arnesen, Sveinung and Yvette Peters (2018): “The Legitimacy of Representation. How Descriptive, Formal, and Responsiveness Representation Affect the Acceptability of Political Decisions”. *Comparative Political Studies*, 51(7), Available online since August 8, 2017. DOI: 10.1177/0010414017720702.
- Arnesen, Sveinung, Kristine Bærøe, Benedicte Carlsen, and Cornelius Cappelen (2018): “Could information about herd immunity help us achieve herd immunity? Evidence from a population representative survey experiment”, *Scandinavian Journal of Public Health*, Volume 46, Issue 8, first published May 9, 2018, <https://doi.org/10.1177/1403494818770298>.
- Arnesen, Sveinung, Mikael Poul Johannesson, Jonas Linde, and Stefan Dahlberg (2018): “Do Polls Influence Opinions? Investigating Poll Feedback Loops Using the Novel Dynamic Response Feedback Experimental Procedure”, *Social Science Computer Review*. Vol 36, Issue 6, pp. 735-743, First published September 26, 2017, DOI: 10.1177/0894439317731721
- Arnesen, Sveinung (2017): “Legitimacy From Decision-Making Influence and Outcome Favorability - Results from General Population Survey Experiments”, *Political Studies*, <http://dx.doi.org/10.1177/0032321716667956>.
