2017– 2019	Leader, developer of and lecturer for the Administrative Law and Land Use Planning course under the Master’s Programme in Region and Regionalisation, Faculty of Humanities, UiB, Norway, Interdisciplinary.
	<b>Review boards, advisory boards, committees (selected)</b>
2020	Member of the PhD evaluation committee for PhD candidate Gunnhild Storbekkrønning Sollie, Ute av syne, ute av sinn – om rettigheter til og forvaltning av grunnvann i norsk rett (Out of sight, out of mind—about rights to and management of groundwater in Norwegian law), Faculty of Law, UiO, Norway.
2020–	<b>Major research or innovation collaborations/interdisciplinary and cross-learning</b>
VARCITIES: (2020– 2025)	<p><b>VISIONARY NATURE BASED ACTIONS FOR HEATH, WELLBEING &amp; RESILIENCE IN CITIES (VARCITIES)</b> (EU H2020). This is a highly practical project, evidenced by 11 domain-expert industry partners and 7 prominent municipalities. Involves in excess of 90 stakeholders. Bergen municipality participates with an urban water project in connection with the development of Store Lungegårdsvann, together with researchers at UiB with representatives from the faculties of Law (Myklebust), Geography, and Medicine, the Institute of Design, and the Department of Biological Science to ensure knowledge-based solutions and interdisciplinary and cross-learning activities. The project is important for both Western Norway, which is the focus of our research study, but also for urban development in Europe more generally.</p> <p>VARCITIES puts the citizen and the human community at the centre of focus for future cities. Future cities should evolve to be human centred cities. The vision of VARCITIES is to implement real, visionary ideas and add value by establishing sustainable models for increasing the health and wellbeing of citizens (children, young people, middle aged, elderly) that are exposed to diverse climatic conditions and challenges around Europe.</p>

## Track record

- Total number of scientific publications during career: **20**
- List of 10 Publications in major national or international peer-reviewed journals, peer-reviewed conference proceedings, peer reviewed book chapters and/or monographs:
  - 1) I. E. Myklebust and Sigrid Eskeland Schütz, Rammer for ein god oppvekst - korleis skal plan- og bygningslova sikre "barnets beste"?, in *Likestilling, barn og velferd. Rettsfelt i utvikling*, Sigrid E. Schütz et al. (eds.), Gyldendal Juridisk 2020, pp. 421–439. ISBN, 9788205538498. (*Recommended literature for the Land Use Planning course (JUS-265-2-A), Faculty of Law, UiB.*)
  - 2) I. E. Myklebust and Ernst Nordtveit and, Metodiske utfordringar i tingsretten, in *Rett i Vest: Festskrift til 50-årsjubileet for jurist-utdanningen ved Universitetet i Bergen*, Johan Giertsen et al.
