3rd International Conference on Current Issues in Coincidence Analysis

We are pleased to announce the 3rd International Conference on "Current Issues on Coincidence Analysis," scheduled to take place on **May 24-25, 2024, at RUSH University in Chicago**. This conference serves as a premier platform for the exchange of ideas and collaboration between Coincidence Analysis (CNA) methodologists and applied researchers.

Conference Scope: The conference will feature discussions on the latest methodological developments in CNA, addressing open questions and challenges in the field. Moreover, researchers will have the opportunity to showcase exemplary applications of CNA from any discipline as well as theoretical or conceptual developments.

Highlights:

- Invited talks by leading CNA experts
- Contributed paper presentations
- Networking opportunities in the vibrant city of Chicago

Call for Contributions: We invite researchers and practitioners to submit extended abstracts of up to 1000 words in either DOC or PDF format. The submitted abstracts should highlight methodological innovations, practical applications with novel findings facilitated by CNA, or issues for plenary discussions.

Important Dates:

- Submission Deadline: February 5, 2024
- Notification of Acceptance: February 26, 2024
- Conference Dates: May 24-25, 2024
