

Centre for Climate
and Energy Transformation

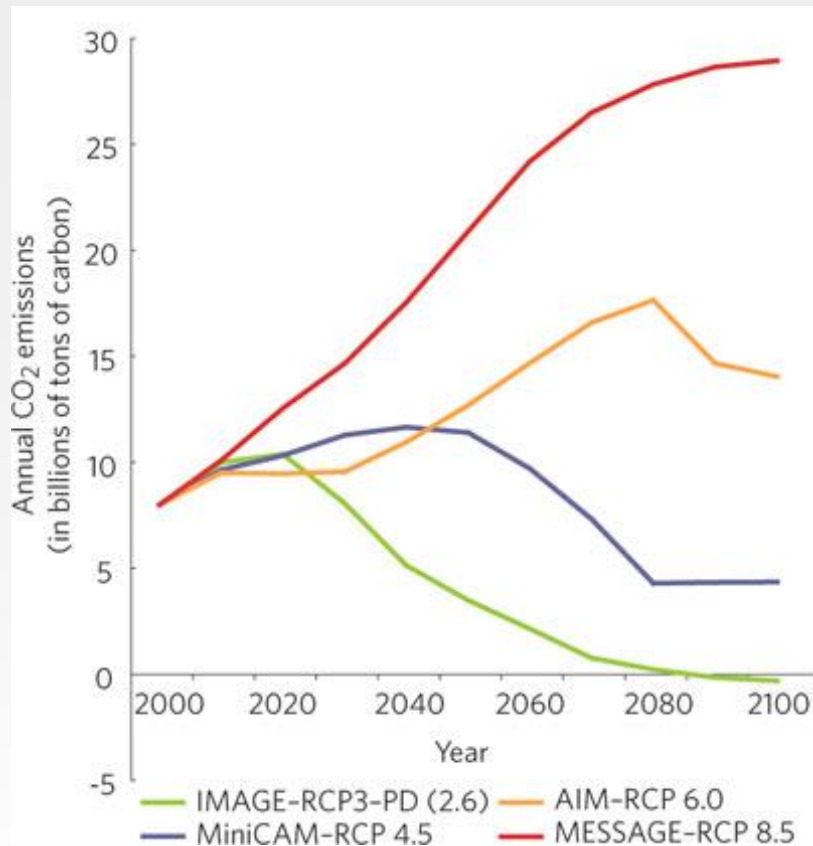

Kårstein Måseide, Research Coordinator

UNIVERSITETET I BERGEN

Why CET?

Inman, Nature Climate Change, 2011

- Need more knowledge on rapid transformation of society
- *Solutions*
- *Pathways*

What can CET deliver?

- Actionable knowledge
- Interdisciplinary 'hub'
- Research output at high international level

Activities

- Interdisciplinary research
- CET Affiliation (network)
- CET Accelerator (funding)
- CET Lunches (seminars)
- Interdisciplinary teaching
- Visiting researchers
- Use of knowledge

The realization of CET

Resources:

- Projects from Bergen Research Foundation
- Research Council of Norway
- Akademia Agreement UiB/Statoil
- Support from UiB
- Core funding through national budget

Example: Pathways to zero emission transport

Organization of CET

- Owner: Faculty of social science
- Steering committee (UiB, Uni Research, NHH)
- Reference group (UiB departments)
- Scientific advisory committee (SAC)
- Administrative support: Department of Geography
- Director: Håvard Haarstad
