

Hotel accommodation

Dear participants of TED2022

We have set up arrangements with two hotels in Bergen to provide accommodation to the participants of TED2022. Both hotels are within easy walking distance of the main conference venue, as well as within easy walking distance of the conference dinner and reception locations. To take advantage of specially negotiated University rates, TED2022 participants must make their booking directly at one of these two hotels *before 23 January 2022*. Note that rooms at this special rate will be allocated on a first-come-first serve basis until our contingent is fully booked out.

Naturally, you are also free to make your own arrangements with other hotels in Bergen. There are many options in the town centre, many of which are likewise within walking distance of the main conference venue.
